## CITY PREPARES FOR RECEPTION OF PRESIDENT; ARRIVES MONDAY

### McADOO FOR PRESIDENCY; LAUNCH PLANS

Friends of Former Secretary of Treasury Start Plans for Presidential Boom.

NEW YORK, July 7.—The New York Evening Post announced last night that detailed plans for launching a Presidential boom for former Secretary of the Treasury William G. McAdoo had been worked out at a dinner attended by a dozen of the intimate friends of the former Secretary of the Treasury. The Post says that although the candidacy of Mr. McAdoo has not been announced formally his supporters declare they are confident that his hat will be in the ring.

While the central objective of the campaign will be to secure delegates in the Democratic National Convention, for of course, it will be through that party that it is hoped to win the Presidency for the former Secretary of the Treasury, a large part of the activities will be devoted toward additional popularization of the candidate.

Judge Samuel R. Amidon, Democratic National Committeeman from Kansas, has been selected to handle the campaign for former Secretary McAdoo according to the Post. Judge Amidon was a supporter of McAdoo at San Francisco and would have been one of the managers of his campaign had he been a candidate.

It is understood the diners discussed the relative strength of former Gov. James M. Cox, Gov. Alfred E. Smith, Senator Oscar W. Underwood, former Ambassador John W. Davis and others, but they concluded that McAdoo could enter the convention with 400 delegates and many others ready to switch to him as soon as they had registered their favorite son choices.

### THUNDER STORM FIVE ARE DEAD

PITTSBURGH, July 7.—Five were killed during a sudden thunder storm over this city. A man and woman were killed when they came in contact with electric wires which were down, having been struck by lightning. Another man was struck by lightning while standing on the porch of his house. Two women were killed when an auto skidded while hurrying to shelter from the downpour.

**GIRL SUPERIOR IN CLASS ROOM**  
SAN FRANCISCO, July 7.—Teaching is an art rather than a science, and education is a science rather than an art, Dr. A. E. Winship, editor of the Journal of Education, Boston, Mass., told the National Council of Education delegates here today at the National Education Association convention. Dr. Winship said: "The feminine qualities in women magnify their skill in the art of teaching. Art in teaching is mean-

### Wheat King's Daughter Sued for Divorce.

Mrs. Agnes Patten Wilder.

Mrs. Agnes Patten Wilder, daughter of James A. Patten, of Chicago, the "wheat king," has been sued for divorce by her husband, Laurence E. Wilder, son of John W. Wilder, millionaire tanner. According to the suit, Mrs. Wilder took her three adopted children and deserted her husband to make her home in Montecito, California, in June of 1921.

### STEEL LABOR TALK IS ONLY BLUFF, CLAIM

President of American Federation of Labor Doubts 12-hour Day Reduction

WASHINGTON, July 7.—Samuel Gompers, President of the American Federation of Labor sees in the promise of the heads of the steel industry to President Harding to eliminate the 12-hour day at some future date "tainted with bluff and insincerity."

Gompers expresses some surprise that the President should think the correspondence worth giving to the public, like he did in his speech at Tacoma.

Gompers said: "I have advised the steel workers not to expect too much as the result of the excess cordialities between President Harding and Elbert Gary."

"Feminine personality is indispensable in the elementary grades. A teacher in the elementary grades without a feminine personality is a professional moron. Feminine personality without subject method training is better than subject method training without feminine personality. For one who worships subject methods supremely to try to teach the art of teaching to women is a professional tragedy.

### NAVY IS TO BE MAINTAINED AT FULL STRENGTH

Program Is Announced for Next Fiscal Year by Navy General Board.

WASHINGTON, June 7.—The United States will maintain a full efficiency during the next fiscal year a "minimum force at sea" of 18 first line battleships, 14 cruisers, and 84 submarines under a decision of the General Board which Secretary of the Navy Denby has formally approved.

This decision is viewed as significant in view of the uncertain status of the five power naval treaty resulting from continued delay of France to ratify it.

An analysis of the program outlined shows the Navy will keep at fighting trim and at sea full strength allowed under the treaty.

The practical strength of the force to be maintained will be augmented from time to time during the year by replacements of old ships with new ones which will be completed and placed in commission.

Permanent among these are the battleships Colorado and West Virginia, which are to replace the Delaware and North Dakota. Other new ships will be added and include seven light cruisers, several of which have been delivered, and 10 submarines.

### Debate Starts in France On Wash. Naval Treaties

PARIS, July 7.—The open debate has started in the Chamber of Deputies on the ratification of the Washington naval treaties, especially with a decision on those parts of the treaties dealing with limitation of naval armament and capital ships.

**TREATIES RATIFIED**  
PARIS, July 7.—The French Chamber of Deputies this evening ratified the Washington treaties for limitation of naval armaments and capital ships. The vote was 469 to 108. The Deputies will on Monday debate on the treaties relating to the use of gas and protection of neutrals.

### BEER CLUBS SELL LIQUOR

VANCOUVER, B. C., July 7.—The World says beer clubs, which are prohibited from selling hard liquors, are doing so and are being supplied by one private export house.

The manager of one beer club said he "had to sell hard liquor or lose his members."

Much liquor it is declared, is being sold in drug stores and elsewhere on which no tax has been paid and at prices below those of government stores.

### Ku Klux Klan Being Sued for \$100,000

CHARLESTON, S. C., July 7.—T. E. Thrower, of Columbia, has filed suit for \$200,000 against the Ku Klux Klan charging injury to his reputation due to alleged decree of banishment issued against him while he served as Exalted Cyclops at Columbia.

### SMOKING RUINS TELL STORY OF GOLDFIELD FIRE

City Will Rise Phoenix-like Is Word Sent Out—Loss Estimated at \$1,500,000.

TONOPAH, July 7.—Smoking ruins is all that is left of the business and north residential section of Goldfield as the result of the disastrous fire which swept the desert city yesterday afternoon.

A hasty check up on the losses showed one man dead and one woman missing. The damage is estimated at \$1,500,000.

Clothing is being rushed from Nevada and California cities.

Last night hundreds of refugees huddled on the hillside, with their few possessions they had saved.

Others went by automobiles to nearby cities.

"Will rebuild the city and come back" was the first message sent to the outside world from Goldfield after wire communication had been re-established.

### GREEKS-TURKS HAVE BATTLE

Many Casualties Are Reported on Both Sides—Greek Ship Is Torpedoed.

SOFIA, July 7.—A report from Constantinople says the Greeks attempted to land a regiment at Kara Burum near the Dardanelles. The Turks repulsed them. Many casualties are reported on both sides.

A Turkish torpedo boat sunk a Greek ship according to reports and many were drowned.

### Missing Balloon Found Floating in Lake Erie

WASHINGTON, July 7.—A report has reached the Naval Bureau of Aeronautics that two tugs have located Lieut. Roth's missing naval balloon in Lake Erie and have started maneuvering the big bag to establish whether the basket was still occupied when it fell.

SAN FRANCISCO, July 7.—The Federal Grand Jury has indicted R. H. Borland, special representative of the Shipping Board; L. H. Melchenbach, district director; T. C. Baird, assistant director, and three surplus war supply dealers. The charges are conspiracy to defraud the government through sales approximately amounting to \$1,000,000 worth from the Liberty shipyard at Alameda.

### LAWS AGAINST JAPANESE ARE NOT MALICIOUS

U. S. Senator Walsh Returning from Orient Discusses U. S.-Japan Issues.

SEATTLE, July 7.—United States Senator Thomas J. Walsh, of Montana, arriving here on the President Jackson from a trip to Japan and China, said:

"It is my belief that should Ambassador Hanhara succeed in arranging a conference between the United States and Japan regarding treatment of the Japanese now in America, his efforts at the conference will fail.

"The laws affecting Japanese on the Pacific Coast are not malicious but inevitable so long as intermarriage with Orientals is not accepted socially in America. It follows that the Japanese race is not to be treated on the same basis with regards to immigration as other aliens."

### FULL TICKET PROPOSED BY LATEST PARTY

Federated Farmer Labor Party Will Have Platform and Also Candidates.

CHICAGO, July 7.—The Federated Farmer Labor Party of the United States, with an individual platform and with candidates, will enter the political field next year. A majority of the Farmer Labor Party delegates attending the convention here refused to affiliate with the Federated organization.

Bone, who is in Ketchikan awaiting the President's coming there, is expected to advise the local committee late tonight or early tomorrow morning.

The Presidential ship is scheduled to reach Ketchikan late this afternoon and after a few hours there start northward. The only scheduled stop is at Wrangell for two or three hours. The itinerary announced recently calls for the Henderson sailing from Wrangell for Juneau, going by the way of Taku Glacier.

#### Begin Decorating Today.

Local street decoration and decoration of business houses and residences began this morning. Evergreens are being massed around light and telephone poles; streamers of bunting strung across the streets; pictures of President Harding began to make their appearance in local store windows, draped with flags. A shortage of pictures of the Chief Executive is reported. It is expected that this will be relieved on the arrival of the boats from the south tonight. Orders were placed last week for a supply and this should arrive tonight.

It is urged that the owners of property along the line of march make every effort to decorate with flags and bunting and to clean up their lots before Monday morning.

#### Will Banquet Guests.

Three luncheons and two dinners have been arranged for the distinguished visitors. Gov. and Mrs. Bone will entertain President and Mrs. Harding and a few guests at one luncheon; Mayor I. Goldstein, R. E. Robertson, Chairman of the Citizens' Committee, with Miss Minnie Goldstein and Mrs. R. E. Robertson will have other members of the immediate Presidential party as their guests at a luncheon at the Gastineau Cafe, and visiting newspaper men will be guests of the committee at a luncheon at the Arcade Cafe. These three luncheons will occur immediately following the return of the party from the Glacier Highway automobile trip. In the evening, about 7 p. m. Gov. and Mrs. Bone will entertain President and Mrs. Harding at a dinner at the Governor's House.
